Immediately following the Sundance and Festival Ranch Community Facilities District Meeting.

1. Call to Order/Roll Call

Mayor Hull called the meeting to order at 6:33 p.m.

Members Present: Councilman Meck, Councilman Beard, Vice Mayor Urwiller, Mayor Hull, Councilwoman May, and Councilman Doster, and Councilman Garza.

Members Absent: None

Departments Present: Town Manager Carroll Reynolds, Town Attorney Scott Ruby, Town Clerk Linda Garrison, Deputy Clerk Lucinda Aja, Fire Chief Scott Rounds, Human Resource Director Toni Brown, Finance Director Ron Brown, Fire Marshal Bob Costello, Town Engineer Woody Scoutten, Economic Director Richard Chaplin, Community Development Director Bob Bushfield, Interim Public Works Director Joe Guidice, Parks and Rec Director Jeanine Guy, and Police Commander Fitzpatrick.

2. Presentation by URS Corporation - Update to Engineering Feasibility Study.

Mayor Hull requested that this item be moved to the third item. Because of a large amount of public attendance this item was not discussed due to lack of time. This presentation will be given at a later date.

3. Public Works and Finance Discussion on Water Billings.

Interim Public Works Director Joe Guidice explained to Council that there had been numerous mistakes and complaints about water bills dating back to April. One of the probable causes is the billing cycle was 45 days instead of 30. This effected Sunora and Sundance residents pushing them into a higher rate bracket. 1,005 adjustments have been made. Additional adjustments will be made and meters are also being changed and tested for accuracy. Mr. Guidice publicly apologized and stated that he hoped that the Town could restore their credibility. Mr. Guidice was available to answer more questions outside the Council meeting.

3. Adjournment.

There being no further business to come before Council motion made by Councilwoman May and seconded by Councilman Beard to adjourn the meeting at 7:03 p.m. Motion passed unanimously.

Dustin Hull, Mayor
